## 3.2.5 What if I can't measure it?

## Applying the Tangent Ratio

## 3-111 The Statue of Liberty

Draw a diagram for this situation.

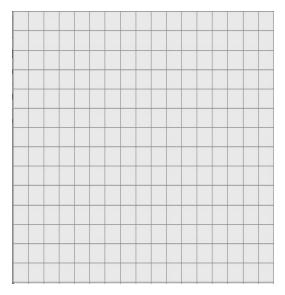

Solve:

Expression / Calculations:	Statue of Liberty
	height =

Should Lindy go to the top of the Statue of Liberty? Why or why not?

## **3-112 - How Tall Is It?**

After taking measurements with the measuring tape and clinometer, draw a diagram of the situation and label it.

Object:	
o o jeet.	

Explain the situation including measurements.

height = \_\_\_\_\_

After taking measurements with the measuring tape and clinometer, draw a diagram of the situation and label it.
